

The solitary kidney

You were born with
the ability to
change someone's
life.

Don't waste it.

YOU HAVE 2
KIDNEYS
I HAVE NONE
YOU SUCK!

Dialysis by aged 30 with CAKUT and SFK

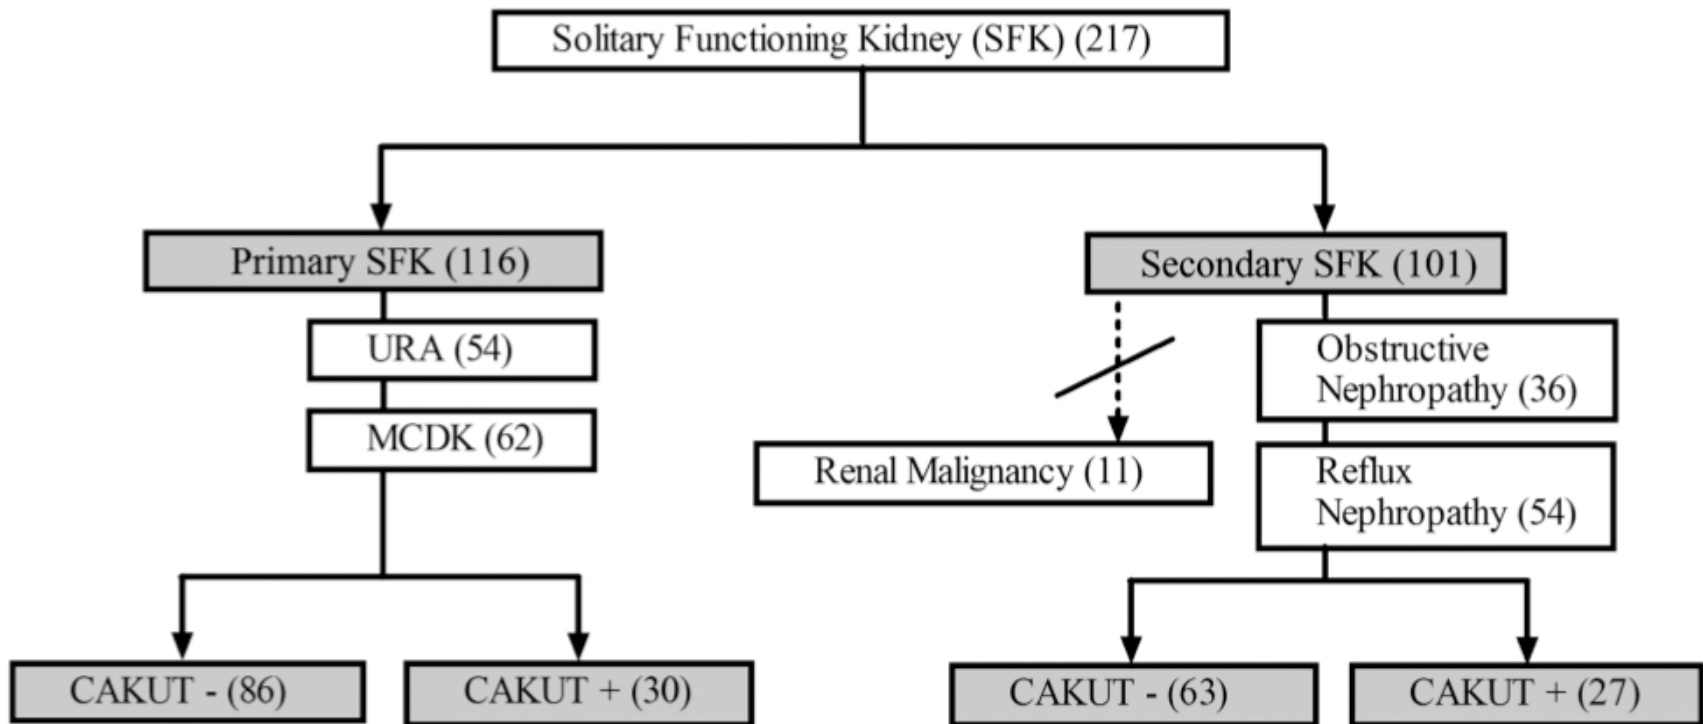

Sanna-Cherchi *et al.*, Kid Int 2009

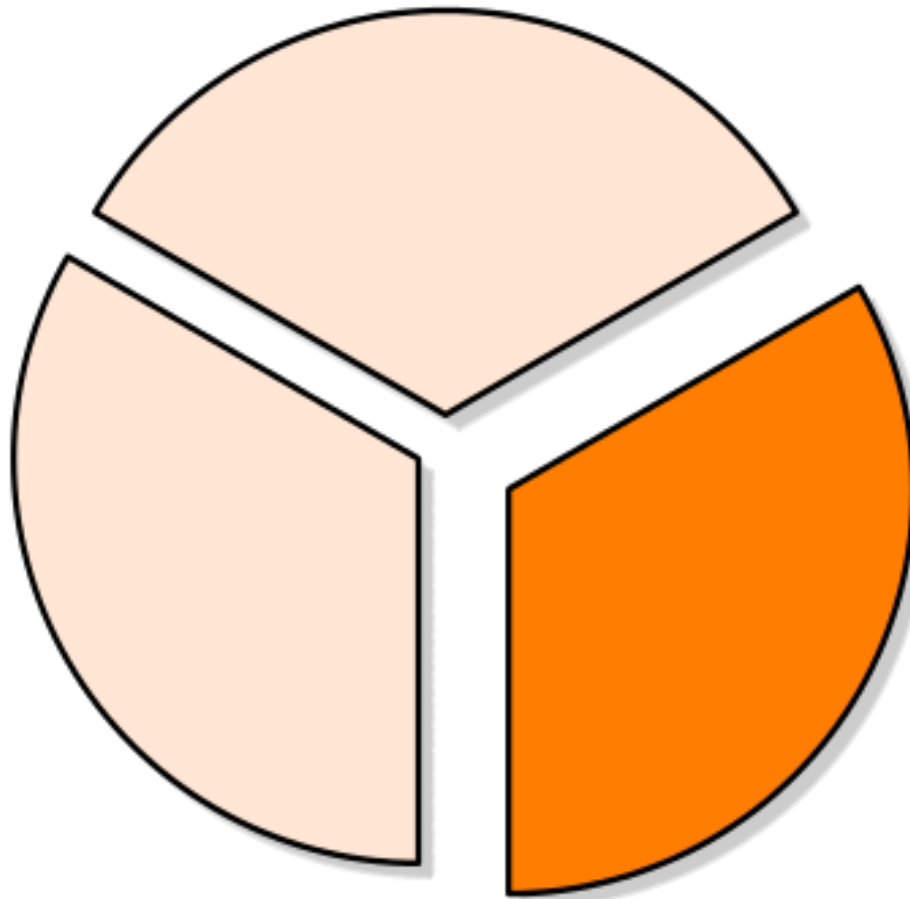

Proportion kidney injury at age 8 years in SFK

Schreuder *et al.*, J Ped Ch Health 2008

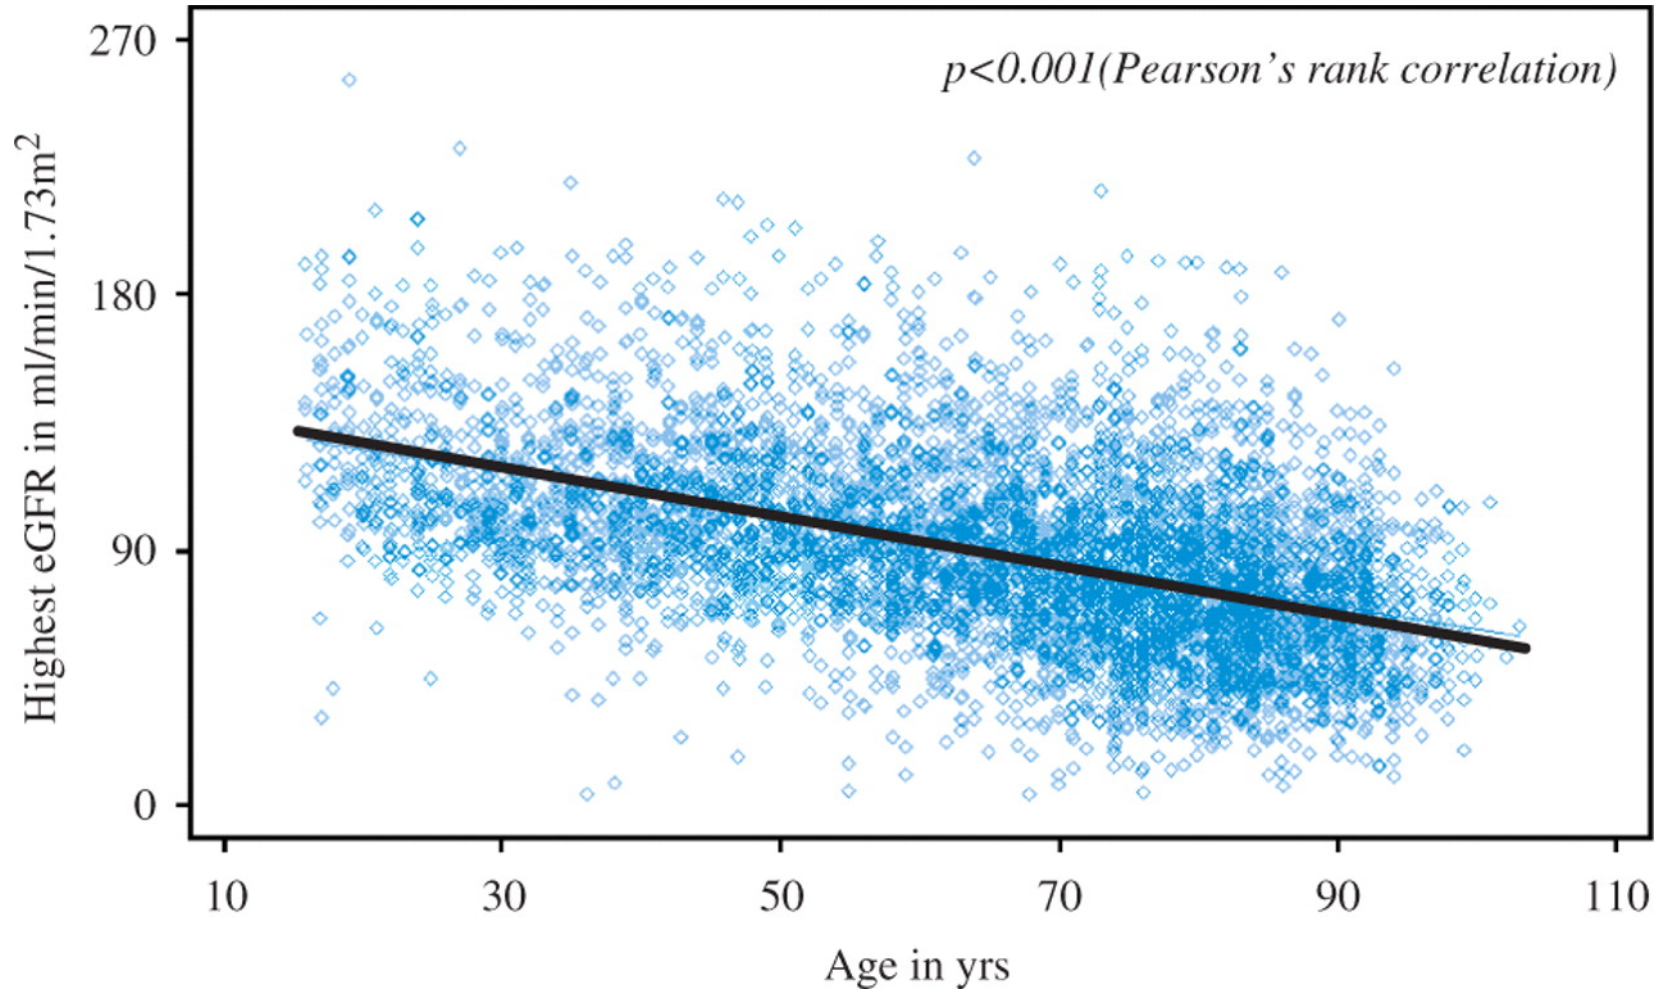

Westland *et al.*, NDT 2011: *KIMONO* study

Hypertension, albuminuria, renoprotective drugs

Annear *et al.* QJM 2008: eGFR and age

Westland *et al.*, NDT 2011: *KIMONO* study

Estimated Glomerular Filtration Rate by Schwartz formula
based on solitary functioning kidney type
