Event Overview

Kick off the weekend with an evening of fun, discovery, and teamwork at the **Children's Teams Friday Night Social!** Explore hands-on exhibits / play zones and refuel with a tasty meal — all in a safe, supervised environment. This is the perfect way for kids to socialise, learn, and have fun.

1. **Elemental Zones:**

There are four immersive zones representing the elements of nature, each offering interactive experiences:

1. **Earth Zone:**

Explore geology, rocks, minerals, and fossils. Try hands-on digging activities and learn about the planet's layers and natural processes.

2. **Air Zone:**

Discover the power of wind and air pressure through interactive exhibits. Test paper planes, mini tornadoes, and airflow experiments.

3. **Fire & Energy Zone:**

Learn about energy, heat, and power. You can generate electricity, see kinetic demonstrations, and explore safe fire-themed experiments.

4. **Water Zone:**

Dive into the science of water, rivers, and oceans. Experiment with flow, buoyancy, and water pressure in engaging hands-on exhibits.

5. **Outdoor Water Park:** (*Weather permitting*)

Magna's water-themed adventure park! fountains, splash zones, and water-based. Bring a change of clothes and water-friendly shoes if they want to join in the outdoor water fun.

6. Outdoor Play Area

Slides, climbing frames, and open spaces provide opportunities for active fun and social play.

Each zone is supervised and designed to be both educational and fun, letting children explore at their own pace while safely guided by staff.

Children should be always accompanied.
